NEIGHBORHOOD CLEANUP

Saturday, March 23

Get rid of unwanted items, trash and debris.

HELP US CLEAN UP!

Please place all items at the curb the evening before the cleanup date to ensure pickup by Republic Services personnel on the day of the cleanup.

DO

- Have small items in a tied bag and limit the weight of each receptacle or bag to 50 pounds or less.
- Have tree limbs and brush bundled in lengths less than six feet and under 50 pounds.
- Have doors on refrigerators, stoves, washers and driers removed for the safety of children.

DON'T

- Put out hazardous materials such as dry or liquid chemicals, paints, oils, tires, batteries, railroad ties, medical wastes, propane cylinders or other compressed gasses, or any items too large for two individuals to manually lift.
 - Overload plastic bags with rock, dirt, or concrete; or place sharp objects in plastic bags.
- (Contact Republic Services at 997-9560)*

In order to comply with federal, state and county regulations concerning solid waste disposal, please divide the items that you set out on the curb into three separate piles using the following categories:

- Any appliance that contains or has contained Freon or other refrigerant gasses, such as refrigerators, freezers, home or automotive air conditioning units, etc.
- All metal items or items constructed predominately of metal, such as dishwashers, stoves, auto parts, weight sets, etc., EXCEPT appliances that contain or have contained Freon or other refrigerant gasses as listed above.
- All remaining trash and debris, EXCEPT the items listed under the "DO NOT" category elsewhere on this flyer, such as paints, tires, automotive batteries, flammables, etc.
